Dear Ms. Light:

Your memorandum of 10 May 1984 forwarded to us two documents with the request that we review their classification status. The documents are listed as items #3 and #6 of Mandatory Review case NLK-84-111 from JFK Library. We have reviewed the two documents with the following results:

Item #3 is a memorandum for The President from Director Murrow of the United States Information Agency, dated 9 March 1962, classified SECRET. This memorandum contains information of concern to CIA which we have determined must remain classified at SECRET under Section 1.3(a)(4) of Executive Order 12356.

Item #6 is a memorandum for McGeorge Bundy from Director Murrow of the United States Information Agency, dated 5 April 1963, classified TOP SECRET. This memorandum contains information of concern to CIA which we have determined must remain classified but may be downgraded to SECRET under Section 1.3(a)(4) and (5) of Executive Order 12356.

The two documents and the JFK Library mandatory review request are returned to you herewith as requested. We have added our classification review stamp showing our action.

Sincerely,

Chief, Classification Review Division
Office of Information Services
Directorate of Administration
